EDUCATION

University of Oregon

M.S. Economics

B.S. Economics

Eugene, OR

Expected: June 2026

September 2022 – June 2025

- Involvements & Awards: IB Scholar, Summit Scholar, Dean's List, Women in Economics Club, Undergraduate Economics Peer Tutoring, KWVA Campus Radio

EXPERIENCE

Field Intern

Office of U.S. Senator Ron Wyden

Eugene, OR

February 2026 – Present

- Participated in funding evaluations for multi-million dollar projects across Oregon by documenting meetings and engaging directly with community partners, producing accurate records to support federal funding decisions.
- Maintained briefings for a U.S. Senator by reviewing and updating internal reference documents to reflect current policies and events, ensuring the Senator was well-prepared for official meetings.
- Managed a high volume of constituent communications via phone and email, including in-the-moment conflict resolution, turning complex or contentious interactions into positive touchpoints for the Senator's office.

Research Assistant

University of Oregon Dept. Of Economics

Eugene, OR

June 2024 – December 2024

- Reduced professor's manual editing time for course materials by 70% per term by coding reusable homework templates in R that are now used in undergraduate econometrics courses.
- Parameterized 20 course documents so that a single input updates all numbers and equations automatically, replacing a manual editing process with a scalable, reusable workflow.
- Self-taught R Markdown and LaTeX, demonstrating ability to quickly learn and apply new technical tools.

Server

Kachka | Lion & Owl | The Paddock

Portland, OR | Eugene, OR

2022 – Present

- Managed sections of 7 tables at a time by providing warm, attentive service in fast-paced upscale dining settings, bringing in high tip percentages and repeat customers.
- Prioritized competing demands in real time across 100+ guests per night, coordinating with sommeliers, kitchen staff, and managers to ensure excellent and efficient service.
- Took on staff training responsibilities after demonstrating consistent performance, guiding new hires through fine dining service expectations and workflows.

World Music Radio DJ

KWVA Campus Radio 88.1FM

Eugene, OR

November 2023 – April 2026

- Hand selected songs from around the world to curate a unique 2-hour show every week.
- Maintained a consistent listener base through on-air presence and social media outreach, averaging 2-4 call-ins per show.
